

A Witness *in* Every Generation

THE SPIRITUAL EMPHASIS

Renewed in His Presence, Rooted in His Word, Ready for His Mission

The Spiritual Emphasis program was held on Thursday, 13 August 2026, at 3:00 PM, featuring Pr. Kingsly Chellan as the guest speaker. The program was conducted in Chennai, organized by Charis Theological Seminary, focusing on spiritual growth, renewal, and deeper commitment to Christ.

MESSAGE

Vision is God's plan for our lives, and He has a purpose for each of us. When God gives us a vision, we must faithfully work towards bringing it into reality. We are called to be useful vessels for God's Kingdom and to be instruments in His hands. God has a divine timing and a plan for the fulfilment of His purpose. As Habakkuk 2:2 teaches us, we must write the vision clearly and make it plain. We should not shape our mission and vision by looking only at our contemporaries or those around us. God's mission must come before our own plans, because His purpose is greater than ours. The place where God is sending us already has people whose hearts He is preparing to receive His work. Through intercessory prayer, we must stand in faith and prepare the way for God's vision to be fulfilled. When we align ourselves with God's purpose, timing, and mission, our lives can become powerful instruments for His Kingdom.

Guest speaker Pr. Kingsly chellan

M.A., M.Sc., B.C.Ed., M.Div., Ph.D. President of IPC Tamil Nadu

I am a woman of God who believes in actions more than speeches. Through the teaching and training I received at Charis Seminary, I learned that beyond degrees and theological knowledge, what truly matters is reflecting the character of Jesus through our lives. I am Ajita Bellai, a graduate of Charis Seminary, now serving as an Evangelist in my community, seeking to bring perishing souls into the light of Christ. I thank God for His grace and am deeply grateful to the teachers and delegates who trained and equipped us with a vision for God's Kingdom. Their commitment and example continue to inspire me, just as Hebrews 13:7 reminds us to remember those who taught us God's Word. I am also thankful to the founder and family, through whom I learned that a true servant of God lives not for oneself, but for others. What I learned and experienced during the seminar continues to strengthen me in my ministry today. I give all glory to God and heartfelt thanks to everyone who has shaped my journey.

Sis. Ajita Bellai

Lect. Jebasingh Joshua P

"You will be my witnesses..." (Acts 1:8)

Christian witness is not merely speaking about Christ; it is making Christ visible through the life we live. A genuine witness carries the Gospel beyond words into character, conduct, and compassion. Our integrity should reveal the transforming power of Christ, for a Christlike life gives credibility to the message we proclaim. Likewise, love expressed through kindness, service, and forgiveness makes the Gospel tangible, allowing others to encounter Christ through the way we treat them. We are also called to speak of Christ with conviction, wisdom, and grace, never allowing our faith to remain hidden when an opportunity to testify arises. Every place where God positions us becomes a mission field, and every encounter becomes an opportunity to bear witness.

A faithful witness does not merely proclaim Christ; he reflects Christ.

Teachers' Day Celebration – CTS

Charis Theological Seminary celebrated Teachers' Day on 5th September 2026 with great joy and gratitude. The final-year students took the initiative to make the day special by surprising their teachers, presenting gifts, and performing a joyful dance as a token of their love and appreciation.

Under the leadership of Registrar Rev. John Thomas, the celebration concluded with happiness, fellowship, and a memorable group photograph, creating a beautiful moment to cherish.
